Town Council at its meeting on 27<sup>th</sup> February 2013 requested that Castle Lea be included in the Severn Ward in view of the redevelopment off Church Road and the distance voters have to travel in order to vote at elections.

#### **County Councillor Pauline Watts**

The title “Caldicot Castle” is now historic and should remain. Polling booth – Castle Park Primary School is very suitable, as residents who decline the offer of a postal vote, do not have to cross the busy Sandy Lane. The four Castle Lea entries should be included in Green Lane.
